CHICAGO, December 5, 1871.

To the Officers of the Germania, Hanover, Niagara and Republic Fire Ins. Co.'s of New York:

GENTLEMEN:—The course pursued by your companies in the adjustment and payment of our own claims, and so far as we know, ALL claims for losses in the great fire in Chicago, has been so highly honorable, prompt and straightforward, and marked by such apparent desire to deal justly towards all parties, under all circumstances, that we deem voluntarily to acknowledge it to the business public. We conceive that no stronger proof could be made, both of the responsibility and of the integrity of an Insurance organization, than yours has passed through here so fully and creditably. With an unimpaired Capital and undiminished responsibility, and a record for equitable settlement, certainly surpassed by none, we congratulate you on the effect of future prosperity, to which your actions here have entitled you and to gain,

PROVIDENTIALLY DIRECTED.

Among the attendants at a late Methodist conference was a large beautiful and intelligent-looking young lady, who drew the admiring gaze of many eyes, particularly you in ... always on the lookout for feminine faces. During the intermission at noon, a spruce young minister stepped up to the presiding elder, and said with an air of secrecy:

"Did you observe the young lady who sat by the first pillar on the loft."

"Yes," said the elder; "What of her?"

"Why," said the young man, "I feel impressed that the Lord desires me to take that lady for my wife. I think she would make a good companion and helpmate in the work of the ministry."

The elder, as a good Christian ought, had nothing to object.

But, in a few moments, another candidate for ministerial efforts and honors, and for the name of husband, came confidently to make known a like impression regarding the same identical young lady.

"You had better wait awhile. It is not best to be too hasty determining the souce of such impressions," said the prudent elder.

And he said well, for hardly were the steps of the second youth cold at his side, ere a third approached with the same story, and while the worthy confident still marveled, a fourth drew near, with the question:

"Did you notice the fine, noble-looking woman on your left?"

"Yes," cried the swelling elder.

"Well, sir," went on the fourth victim of that unsuspicious girl, "It is strongly borne in upon my mind that it is the will of the Lord that I should make proposal of marriage to that lady. He has impressed me that she is to be my wife."

The elder could hold in no longer.

"Impossible! impossible!" he exclaimed, in an excited tone; "the Lord never could have intended that four men should marry that one woman!"

BLAZING HIS WAY.

Peter Cartwright having been brought up in a log cabin, he did not like climbing up stairs; and when he took up his quarters at a hotel he always preferred rooms on a lower floor. He once went to New York and booked himself at the Tremont Astor. The preacher was assigned a room in the eight or ninth story.

Soon after being shown his room, Cartwright rang the bell. A waiter was promptly in attendance. "I want an axe," said Cartwright. The astonished waiter said he'd procure one. Having procured an axe, Cartwright asked the waiter to guide him down stairs, At the first turn of the stairs Cartwright blazed his mark on the walnut balusters. The dumbfounded waiter asked what he meant "I want to know my way back to my room again," [illegible] The preacher was [illegible]

An attendant ... not long ago observed a ... weeping bitterly, her handkerchief to her eyes.—Going up to her, he said: "Are you in trouble, madam?" "No, sir," she sobbed. "I saw you weeping." "Ah," she said, "how can one help weeping at the grave of the father of his country?" "Oh, indeed, madam," said he, "thats it. Well, the tomb's over yonder This is the Ice-house."

An old agricultural laborer in England tried a singular method of evangelizing his family. Being remonstrated with by the pastor for not bringing up his boys as he should, he replied "I dunno ow 'tis, sir; I order 'em down to pray every night and mornin', and when they won't go down, I knock 'em down—and yet they ain't good."

A Cincinnati youth guided by the advice of a fortune teller, sought to make a girl love him by means of electricity working from under her chair. When the time came she sprang into the air about three feet, when she came down she landed in her lover's hair and took about two handfuls therefrom, and told him that she hated him.

Georgia boasts the possession of a man who has been struck with thirty-two minie balls, one mortar shell, one shrapnel, one three inch conical, and it is said he has been struck by lightning, bitten by a rattlesnake and chased by a mad dog. He is a hale, hearty man yet.

Two undertakers meeting the other day one of them remarked on the vast increase of mortality "Well," replied the other, "you're luckier than I, for I have not buried a living soul for three weeks."

One of the amusements at a Chicago picnic was to place a silver dollar in a dish containing an inch of molasses, and a squad of boys compete in trying to get it out with their teeth.

An ambition Danbrian is fitting out an expedition in search of the author of "Beautiful Snow," and thinks to rival Stanley.

THE PLATFORM.

The following is the Platform adopted by the National Republican Convention at Philadelphia:

The Republican party of the United States, assembled in National Convention in the city of Philadelphia, on the 5th and 6th days of June, 1872, again declares its faith, appeals to its history, and announces its position upon the questions before the country.

1. During the eleven years of its supremacy it has accepted with grand courage the solemn duties of the time. It suppressed a gigantic rebellion, emancipated 4,000,000 slaves, decreed the equal citizenship of all and established universal suffrage, exhibiting unparalleled magnanimity. It criminally punished no man for political offense, and warmly welcomed all who proved their loyalty by obeying the laws and dealing justly with their neighbors. It has steadily decreased with a firm hand the resultant disorders of the great war, and indicated a wise policy towards the Indians. The Pacific railroad and similar vast enterprises have been generally aided and successfully conducted. The public lands have been freely given to actual settlers, immigration protected and encouraged, and a full acknowledgment of naturalized citizens' rights secured from European powers. A uniform national currency has been provided, repudiation frowned down, the national credit sustained under the most extraordinary burdens, and new bonds negotiated at lower rates. The revenues have been carefully collected and honestly applied; despite the annual large reductions of the rates of taxation, the public debt has been reduced during Gen. Grant's Presidency at the rate of one hundred millions of dollars a year; a great financial crisis has been averted, and peace and plenty prevail throughout the land.—Menacing foreign difficulties have been peacefully and honorably compromised, and the honor and power of the nation kept in high respect throughout the world. This glorious record of the past is the paryt's best pledge for the future. We believe the people will not intrust the government to any party or combination of men composed chiefly of those who have resisted every step of this beneficial progress.

2. Complete liberty and exact equality in the enjoyment of all civil, political and public rights should be established and effectually maintained throughout the Union by efficient and appropriate State and federal legislation. Neither the law nor its administration should admit of any discrimination in respect to any citizen by reason of race, creed, color or previous condition of servitude.

3. The recent amendments to the National Constitution should be cordially sustained, because they are right, not merely tolerated because they are the law, and should be carried out, according to their spirit, by appropriate legislation, the enforcement of which can be safely trusted only to the party that secured those amendments

4. The national government should seek to maintain an honorable peace with all nations, protecting its citizens everywhere, and sympathizing with all peoples who strive for greater liberty.

5. Any system of civil service under which the subordinate positions of the government are considered rewards for mere party zeal is fitly demoralizing, and we therefore favor a reform of the system by laws which shall abolish the evils of patronage, and make honesty, efficiency and fidelity essential qualifications for public position, without practically creating a life tenure of office.

6. We are opposed to the further grants of public lands to corporations and monopolies, and demand that the national domain be set apart for free homes for the [illegible]

[illegible] ... revenue for the ... of the principal, and the revenue, except so much as may be derived from a tax on tobacco and liquors, should be raised by duties on importations, the duties of which should ... [illegible]

[illegible] ... Union Their ... of the nation, and the widows and orphans of those who died for their country are entitled to the care of a generous and grateful people, and we favor such additional legislation as will extend the bounty of the government to all our soldiers and sailors who were honorably discharged, and who in the line of duty became disabled, without regard to the length of time or cause of such discharge.

9. The doctrine of Great Britain and other European powers, concerning allegiance, "once a subject, always a subject," having at last through the efforts of the Republican party, been abandoned, and the American idea of an individuals's right to transfer his allegiance having been accepted by European nations, it is the duty of our government to guard with jealous care the rights of adopted citizens against the assumption of unauthorized claims by their former governments, and we urge continual and careful encouragement and protection to voluntary immigration.

10. The franking privilege ought to be abolished and the way prepared for a speedy reduction in the rates of postage

11. Among the questions which press for attention is that which concerns the relations of capital and labor, and the Republican party recognize the duty of so shaping legislation as to secure full protection and the amplest field for capital, and for labor, the creator of capital, the largest opportunities, and a just share of the mutual profits of these two great servants of civilization.

12. We hold that Congress and the President have only fulfilled an imperative duty in their measures for the suppression of violent and treasonable organizations in certain lately rebellious regions, and for the protection of the ballot-box, and therefore are entitled to the thanks of the nation

13. We denounce the repudiation of the public debt, in any form or disguise, as a national crime, and we witness with pride the reduction of the principle of the debt and upon the rates of interest upon the balance, and we confidently expect that our excellent national currency will be perfected by the speedy resumption of specie payments.

14. The Republican party is mindful of its obligations to the loyal women of America for their noble devotion to the cause of freedom, and their admission to wider fields of usefulness is received with satisfaction; and the demands of any class of citizens for additional rights should be treated with respectful consideration.

15. We heartily approve the actions of Congress in extending amnesty to those lately in rebellion, and rejoice in the growth of peace and fraternal feeling throughout the land.

16. The Republican party propose to respect the rights reserved by the people themselves as carefully as the powers delegated by them to State and to federal government It disapproves of a resort to unconstitutional laws for the purpose of removing evils by interference with rights not surrendered by the people to either the State or national government.

17. It is the duty of the general government to adopt such measures as will tend to encourage American commerce and ship building.

18. We believe that the modest patriotism the earnest purpose, sound judgment, practical wisdom, incorruptible integrity and illustrious services of Ulyssess S. Grant have commended him to the hearts of the American people, and with him at our head we start to-day on a new march to victory.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

℞ No one remedy is louder called for by the necessities of the American people than a sure and safe cure for **Fever and Ague.** Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from or prevents this disorder must be of immense service in the communities where it prevails. *Prevention* is better than cure; for the patient escapes the risk which he must run in violent attacks of this baleful distemper. This "CURE" expels the miasmatic poison of **Fever and Ague** from the system, and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it contains no Quinine or mineral; consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are **Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis,** and derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "CURE" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure; and few will ever suffer from Intermittents if they avail themselves of the protection this remedy affords.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity, and producing many truly remarkable cures, where other medicines fail.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

They are not a vile **Fancy Drink,** Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores, cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

To the Officers of the Germania, Hanover, Niagara and Republic Fire Ins. Co.'s of New York:

GENTLEMEN:—The course pursued by your companies in the adjustment and payment of our own claims, and so far as we know, ALL claims for losses in the great fire in Chicago, has been so highly honorable, prompt and straightforward, and marked by such apparent desire to deal justly towards all parties, under all circumstances, that we deem it voluntarily to acknowledge it to the business public. We conceive that nothing could be made, both of the responsibility and of the integrity of an insurance organization, than yours has passed through these stores fully and creditably. With an unimpaired Capital and undiminished responsibility, and a record for equitable settlement, certainly surpassed by none, we congratulate you on the career of future prosperity, to which your actions here have entitled you and to which we...

PROVIDENTIALLY DIRECTED.

Among the attendants at a late Methodist conference was a large beautiful and intelligent-looking young lady, who drew the admiring gaze of many eyes, particularly those in sentiment, always on the lookout for feminine faces. During the intermission at noon, a spruce young minister stepped up to the presiding elder, and said with an air of secrecy:

"Did you observe the young lady who sat by the first pillar on the left."

"Yes," said the elder; "What of her?"

"Why," said the young man, "I feel impressed that the Lord desires me to take that lady for my wife. I think she would make a good companion and helpmate in the work of the ministry."

The elder, as a good Christian ought, had nothing to object.

But, in a few moments, another candidate for ministerial efforts and honors, and for the name of husband, came confidently to make known a like impression regarding the same identical young lady.

"You had better wait awhile. It is not best to be too hasty determining the souce of such impressions," said the prudent elder.

And he said well, for hardly were the steps of the second youth cold at his side, ere a third approached with the same story, and while the worthy confident still marveled, a fourth drew near, with the question:

"Did you notice the fine, noble-looking woman on your left?"

"Yes," cried the swelling elder.

"Well, sir," went on the fourth victim of that unsuspicious girl, "It is strongly borne in upon my mind that it is the will of the Lord that I should make proposal of marriage to that lady. He has impressed me that she is to be my wife."

The elder could hold in no longer.

"Impossible! impossible!" he exclaimed, in an excited tone; "the Lord never could have intended that four men should marry that one woman!"

BLAZING HIS WAY.

Peter Cartwright having been brought up in a log cabin, he did not like climbing up stairs; and when he took up his quarters at a hotel he always preferred rooms on a lower floor. He once went to New York and booked himself at the Tremont Astor. The preacher was assigned a room in the eight or ninth story.

Soon after being shown his room, Cartwright rang the bell. A waiter was promptly in attendance. "I want an axe," said Cartwright. The astonished waiter said he'd procure one. Having procured an axe, Cartwright asked the waiter to guide him down stairs. At the first turn of the stairs Cartwright blazed his mark on the walnut balusters. The dumbfounded waiter asked what he meant "I want to know my way back to my room again," ... The preacher was ...

An attendant ... not long ago observed ... bitterly, her handkerchief to her eyes.— Going up to her, he said: "Are you in trouble, madam?" "No, sir," she sobbed. "I saw you weeping." "Ah," she said, "how can one help weeping at the grave of the father of his country?" "Oh, indeed, madam," said he, "thats it. Well, the tomb's over yonder This is the Ice-house."

An old agricultural laborer in England tried a singular method of evangelizing his family. Being remonstrated with by the pastor for not bringing up his boys as he should, he replied "I dunno ow 'tis, sir; I order 'em down to pray every night and mornin', and when they won't go down, I knock 'em down—and yet they ain't good."

A Cincinnati youth guided by the advice of a fortune teller, sought to make a girl love him by means of electricity working from under her chair. When the time came she sprang into the air about three feet, when she came down she landed in her lover's hair and took about two handfuls therefrom, and told him that she hated him.

Georgia boasts the possession of a man who has been struck with thirty-two minie balls, one mortar shell, one shrapnel, one three inch conical, and it is said he has been struck by lightning, bitten by a rattlesnake and chased by a mad dog. He is a hale, hearty man yet.

Two undertakers meeting the other day one of them remarked on the vast increase of mortality "Well," replied the other, "you're luckier than I, for I have not buried a living soul for three weeks."

One of the amusements at a Chicago picnic was to place a silver dollar in a dish containing an inch of molasses, and a squad of boys compete in trying to get it out with their teeth.

An ambition Daubrian is fitting out an expedition in search of the author of "Beautiful Snow," and thinks to rival Stanley.

THE PLATFORM.

The following is the Platform adopted by the National Republican Convention at Philadelphia:

The Republican party of the United States, assembled in National Convention in the city of Philadelphia, on the 5th and 6th days of June, 1872, again declares its faith, appeals to its history, and announces its position upon the questions before the country.

1. During the eleven years of its supremacy it has accepted with grand courage the solemn duties of the time. It suppressed a gigantic rebellion, emancipated 4,000,000 slaves, decreed the equal citizenship of all and established universal suffrage, exhibiting unparalleled magnanimity. It criminally punished no man for political offense, and warmly welcomed all who proved their loyalty by obeying the laws and dealing justly with their neighbors. It has steadily decreased with a firm hand the resultant disorders of the great war, and indicated a wise policy towards the Indians. The Pacific railroad and similar vast enterprises have been generally aided and successfully conducted. The public lands have been freely given to actual settlers, immigration protected and encouraged, and a full acknowledgment of naturalized citizens' rights secured from European powers. A uniform national currency has been provided, repudiation frowned down, the national credit sustained under the most extraordinary burdens, and new bonds negotiated at lower rates. The revenues have been carefully collected and honestly applied; despite the annual large reductions of the rates of taxation, the public debt has been reduced during Gen. Grant's Presidency at the rate of one hundred millions of dollars a year; a great financial crisis has been averted, and peace and plenty prevail throughout the land.— Menacing foreign difficulties have been peacefully and honorably compromised, and the honor and power of the nation kept in high respect throughout the world. This glorious record of the past is the paryt's best pledge for the future. We believe the people will not intrust the government to any party or combination of men composed chiefly of those who have resisted every step of this beneficial progress.

2. Complete liberty and exact equality in the enjoyment of all civil, political and public rights should be established and effectually maintained throughout the Union by efficient and appropriate State and federal legislation. Neither the law nor its administration should admit of any discrimination in respect to any citizen by reason of race, creed, color or previous condition of servitude.

3. The recent amendments to the National Constitution should be cordially sustained, because they are right, not merely tolerated because they are the law, and should be carried out, according to their spirit, by appropriate legislation, the enforcement of which can be safely trusted only to the party that secured those amendments

4. The national government should seek to maintain an honorable peace with all nations, protecting its citizens everywhere, and sympathizing with all peoples who strive for greater liberty.

5. Any system of civil service under which the subordinate positions of the government are considered rewards for mere party zeal is fatally demoralizing, and we therefore favor a reform of the system by laws which shall abolish the evils of patronage, and make honesty, efficiency and fidelity essential qualifications for public position, without practically creating a life tenure of office.

6. We are opposed to the further grants of public lands to corporations and monopolies, and demand that the national domain be set apart for free homes for the people.

7. ... revenue ... for the reduction of the principal ... and the revenue, except so much as may be derived from a tax on tobacco and liquors, should be raised by duties on importations, the duties of which should be ...

8. ... Union. Their ... of the nation, and the widows and orphans of those who died for their country are entitled to the care of a generous and grateful people, and we favor such additional legislation as will extend the bounty of the government to all our soldiers and sailors who were honorably discharged, and who in the line of duty became disabled, without regard to the length of time or cause of such discharge.

9. The doctrine of Great Britain and other European powers, concerning allegiance, "once a subject, always a subject," having at last through the efforts of the Republican party, been abandoned, and the American idea of an individual's right to transfer his allegiance having been accepted by European nations, it is the duty of our government to guard with jealous care the rights of adopted citizens against the assumption of unauthorized claims by their former governments, and we urge the continual and careful encouragement and protection to voluntary immigration.

10. The franking privilege ought to be abolished and the way prepared for a speedy reduction in the rates of postage

11. Among the questions which press for attention is that which concerns the relations of capital and labor, and the Republican party recognize the duty of so shaping legislation as to secure full protection and the amplest field for capital, and for labor, the creator of capital, the largest opportunities, and a just share of the mutual profits of these two great servants of civilization.

12. We hold that Congress and the President have only fulfilled an imperative duty in their measures for the suppression of violent and treasonable organizations in certain lately rebellious regions, and for the protection of the ballot-box, and therefore are entitled to the thanks of the nation.

13. We denounce the repudiation of the public debt, in any form or disguise, as a national crime, and we witness with pride the reduction of the principle of the debt and upon the rates of interest upon the balance, and we confidently expect that our excellent national currency will be perfected by the speedy resumption of specie payments.

14. The Republican party is mindful of its obligations to the loyal women of America for their noble devotion to the cause of freedom, and their admission to wider fields of usefulness is received with satisfaction; and the demands of any class of citizens for additional rights should be treated with respectful consideration.

15. We heartily approve the actions of Congress in extending amnesty to those lately in rebellion, and rejoice in the growth of peace and fraternal feeling throughout the land.

16. The Republican party propose to respect the rights reserved by the people themselves as carefully as the powers delegated by them to State and to federal government It disapproves of a resort to unconstitutional laws for the purpose of removing evils by interference with rights not surrendered by the people to either the State or national government.

17. It is the duty of the general government to adopt such measures as will tend to encourage American commerce and ship building.

18. We believe that the modest patriotism the earnest purpose, sound judgment, practical wisdom, incorruptible integrity and illustious services of Ulyssess S. Grant have commended him to the hearts of the American people, and with him at our head we start to-day on a new march to victory.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

℞ No one remedy is louder called for by the necessities of the American people than a sure and safe cure for **Fever and Ague.** Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from or prevents this disorder must be of immense service in the communities where it prevails. *Prevention* is better than cure; for the patient escapes the risk which he must run in violent attacks of this baleful distemper. This "CURE" expels the miasmatic poison of **Fever and Ague** from the system, and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it contains no Quinine or mineral; consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are **Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis,** and derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "CURE" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure; and few will ever suffer from Intermittents if they avail themselves of the protection this remedy affords.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity, and producing many truly remarkable cures, where other medicines fail.

VINEGAR BITTERS

PURELY VEGETABLE FREE FROM ALCOHOL DR. WALKER'S CALIFORNIA EUREKA VINEGAR BITTERS

J. WALKER, Proprietor. R. H. McDONALD & CO., Druggists & Gen. Agents, San Francisco, Cal., and 34 Commerce street, N. Y.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

They are not a vile **Fancy Drink,** Made of Poor **Rum, Whiskey, Proof Spirits and Refuse Liquors** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER** and **A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores, cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

THE Republicans of Pennsylvania have won a most magnificent victory, equally as decisive as that achieved by the confederates of Georgia, and not a single "nigger" killed, either, so far as heard from.

DEMOCRATS say they cannot comprehend why, in the face of the Georgia election, Pennsylvania should go so largely Republican. It is not at all unlikely that one reason for the different results in the two States named lies in this in Georgia the "niggers" were killed or abused on election day; in Pennsylvania they had an equal chance at the ballot-box, and voted the straight Republican ticket.

THE END IS AT HAND.

All over this broad land to-day Republicans are rejoicing over the magnificent victory achieved yesterday in the States of Pennsylvania, Ohio, Indiana, and Nebraska, and every jubilant member of the great party of freedom and good government finds additional cause for gratulation in the fact that none had been so sanguine as to expect the unparalleled triumph which has been won. It is scarcely probable that a single one of the States which voted yesterday has gone Democratic. Indeed, the best posted authorities concede all of them except Indiana to the Republicans, and we have strong hopes that the Hoosier State has not been an exception to the general rule. The special dispatch from Col. W. R. Holloway, postmaster of Indianapolis, which we publish in another column, speaks confidently of success. But whether the State has gone for Hendricks or Brown, it will certainly cast its electoral vote for Grant and Wilson.

The grand proportions of this victory virtually put an end to the Presidential campaign. The candidates of the Republican party have now only to walk over the track, and in the language of James C. Robinson, "there's no telling where the tarnal thing will get to."

All honor to the staunch Republicans of the four great States whose splendid victory makes the track so smooth and easy for those who have yet to make the final race.

PHILADELPHIA, Oct. 9.—L. D. Shoemaker, Republican, has been elected to Congress from the Twelfth District.

FROM INDIANA.

INDIANAPOLIS, Oct. 8.—The election returns so far are very meagre, the ticket is very long, and returns are received only from small precincts. The vote is very close, and it will be late before a correct estimate can be made. In St. Joseph county, in one precinct, Brown's majority is 207—a Republican gain on the vote of 1870 of 105. In White River township, Randolph county, Brown has 395 majority—a gain of 161. New Haven, Allen county, Indiana, Hendricks has a majority of 110—a Democratic gain of 2. In Guildford county Brown's majority is 450—a gain of 42.

SOUTH BEND, Ind., Oct. 8.—The city and township give Brown, Rep., for Governor, 206 majority, being a gain of 23 over the vote of 1868.

Elkhart county, Ind.—Concord township gives a Republican majority of 171 for Brown.

EVANSVILLE, Ind., Oct. 8.—We have routed the confederates in Vanderburg. Brown will have 500, and Heilman, for Congress, at least 1000 majority.

INDIANAPOLIS, Oct. 8, 2:30 A. M.—Later returns from forty townships, semi-official estimated majorities in several counties show a net Republican gain of between seven and eight hundred. The result on the State ticket is still very doubtful. Both parties claim the State by a small majority.

In Wayne county, five townships, including Richmond, Cambridge City and Hagerstown, give a majority for Brown of 997, with ten townships to hear from. Estimated majority in the county, 1,800.

Posey county—reported Republican gain 300.

Allen county—Democratic gain 300 to 500.

In Vanderburg county, Heilman, Republican candidate for Congress, has 1,400 majority over Niblack. In the same county the Republican majority on State ticket is only 500.

Very little has been received from Congressional Districts or for Senators and Representatives.

LOUISVILLE, Oct. 8.—Clark county, Ind., gives about 800 majority for Hendricks, Floyd about 1000 and Scott about 250.

INDIANAPOLIS, Oct. 8.—Returns continue to come in slowly. About thirty towns and townships heard from report gains on the vote of 1870 of 800.

Randolph county—Brown's majority is estimated at 1,800, a gain of 500.

Howard county—Howard township, Democratic gain 39.

Richmond City, Indiana—Democratic gain 133.

Elkhart county—Concord township, Republican gain 127; Cambridge City, Republican gain 19.

FROM OHIO.

COLUMBUS, Oct. 8.—About thirty towns are reported, showing a net Republican gain over the the vote for secretary of State, in 1870, of 700.

NEW YORK, Oct. 8, 9:45 p. m.—Scattering returns from Ohio show republican gains. Returns from towns in ten or twelve counties give over 800 republican gains on last year's vote. Alliance gives 443 republican majority on the state ticket a gain of 142 over last year.

Returns from seven counties give Wykoff, rep. candidate for Secretary of state, 1518 votes; Wiley, democrat, 400; Republican majority of 1113 and republican gain of 112 over the vote for secretary of state in 1870. Four townships in Belmont county give Wykoff 1071; Wiley, 821; republican majority, 250; democratic gain 33.

Returns received from 20 townships in various counties of the state show a net Republican gain over the vote for secretary of state in 1870 of 548 votes. Two townships show a democratic gain.

Latest 1 a. m.—Partial returns from half of the counties show a Republican gain of 3,000 over the vote of Noyes in 1871, when the Republican majority reached 20,000. This will be reduced by Democratic gains in Hamilton and Cuyahogo counties; leaving the Republican majority about the same as last year.

NEW YORK, Oct. 8.—There was great rejoicing in the city to-night over the news of the great Republican victory in Pennsylvania. An immense crowd of people gathered at the political headquarters and around the newspaper offices.

Early in the evening, upon receipt of the news from Liberal sources, that Pennsylvania had positively gone Republican by an overwhelming majority, and as one dispatch succeeded another, adding still further cheering results to the glorious victory, a feeling of utter hopelessness seemed to seize upon the crowds gathered about the Tribune and Sun offices, which gradually thinned them out, and at this hour there is not a mourner to be seen in the vicinity, while Republicans still throng the streets, rejoicing over the glorious work of to-day.

The followers of Tammany are disgusted, and deeply regret their foolish bargain with Greeley and other sorehead Republicans, feeling that a defeat under the old banner of Democracy would be less humiliating than as the followers of the very men who have been the life-long enemies of the party. Hundreds of Democrats expressed their disgust to-night at the whole so-called Liberal movement, and wished the originators of the "tidal wave" many feet below the earth.

The *Tribune* and *Sun* will return to the old hue and cry of fraud to-morrow morning, but that played-out device will deceive nobody, for it is evident to all that the country is not prepared for President Greeley, and so far as New York city is concerned, will not be for the next four years.

Hundreds of congratulating dispatches were sent to General Grant to-night from here.

There will be a grand mass ratification meeting at Cooper Institute, to-morrow evening, to rejoice over the glorious tidings from the three great States.

It is acknowledged by politicians of all shades that the turning point of the campaign has been reached, and it may be safely said that Liberalism, Carl Schurz & Co, have received their final quietus.

NEWARK, N. J., Oct. 8.—The Newark charter election resulted in over 2,000 republican majority, being a gain of nearly 1,000 over last year's charter election, and over 3,000 over Governor Parker's majority last November. The republicans carry thirteen out of fifteen wards, and elect twelve aldermen. The new Council will stand 20 republicans to 10 democrats.

...The Decatur Agricultural works received the second premium for the best sulkey plow at the St. Louis Fair.

HARTFORD, Oct. 8.—One hundred and twenty of 168 towns in this State have been heard from; 58 elect the entire Republican ticket, and in 24 the offices are divided between the two parties. The democrats have gained eight towns which were democratic last year, and the Republicans have gained eight towns that were democratic last year. by 332

WASHINGTON, Oct. 8.—The election in the District of Columbia to-day was attended with but few disturbances.—Gen. N. P. Chipman, Republican delegate in Congress, was re-elected by 5,600 majority. The Republicans also elected 19 out of the 22 delegates to the Legislative Assembly.

OMAHA, Oct. 8.—The election passed off quietly, and the Republican State and Congressional tickets are elected by about 5000 majority. Douglas county, which may be considered the Liberal stronghold, gives an average of about 100.

Juvenile Tanners.—The Juvenile Tanner Company will meet at their headquarters to-morrow (Thursday) evening, at 7 o'clock. C. J. HOLT, Com'dg.

TO

Messrs. HALLET, DAVIS & Co.

Gentlemen:—Having had the opportunity to listen to your Pianos, under the playing of Herr Franz Bendel and Madame Arabella Goddard, at the World's Peace Jubilee, and also used them as accompaniment to my voice in a room of less size, it gives me pleasure to add my testimony to their superiority over any other Pianos I have heard or used.

MESSRS. HALLET, DAVIS & CO.:

Gentlemen:—It gives me extreme pleasure that I am able to compliment you with manufacturing the best Pianos I ever saw in my life.

Regarding technique and tone, I believe your instruments will always far excel all other manufactures of the kind.

FRANZ ABT

AND THE

Hallet, Davis & Co. Pianos.

This eminent German song-writer, author of "When the Swallows Homeward Fly," &c., says:

"One of the most pleasant surprises that have been afforded me in America has been in the listening to the magnificent Pianos manufactured in this country. Their reputation in Europe has always been of the first order, but it was not until my arrival here that I was given an opportunity to hear and carefully judge of all their merits.

"In the superb instruments manufactured by Hallet, Davis & Co., and used at all the concerts of the Great Boston Jubilee, there was combined a strength and purity of tone, elegance of finish, and those peculiar lasting qualities of rich sound and elaborate general workmanship—without which no Piano can be considered thoroughly good—such as I have never known to be surpassed. I believe their Pianos to be as near absolute perfection as it is possible for the instrument to be brought."

(Signed) FRANZ ABT.

Franz Bendel

AND THE

Hallet, Davis & Co. Pianos.

During my sojourn at Boston, at the time of the World's Peace Jubilee, it was of the greatest interest to me to become acquainted with and play the Grand Piano of Messrs. Hallet, Davis & Co. I was filled with astonishment that these Grand Pianos were *so grand* in their power of tone that they filled the vast spaces of the Coliseum—the largest concert hall in the world—and that they perfectly satisfy every demand made regarding touch, delicacy of expression, and power of tone.

I coincide with the opinion of Dr. Franz Liszt and other celebrated Pianists, who, in their judgment, have placed these instruments among the first and most excellent manufactured in America.

(Signed,) FRANZ BENDEL.

THE Republican of Pennsylvania have won a most magnificent victory, equally as decisive as that achieved by the confederates of Georgia, and not a single "nigger" killed, either, so far as heard from.

DEMOCRATS say they cannot comprehend why, in the face of the Georgia election, Pennsylvania should go so largely Republican. It is not at all unlikely that one reason for the different results in the two States named lies in this: in Georgia the "niggers" were killed or abused on election day; in Pennsylvania they had an equal chance at the ballot-box, and voted the straight Republican ticket.

THE END IS AT HAND.

All over this broad land to-day Republicans are rejoicing over the magnificent victory achieved yesterday in the States of Pennsylvania, Ohio, Indiana, and Nebraska, and every jubilant member of the great party of freedom and good government finds additional cause for gratulation in the fact that none had been so sanguine as to expect the unparalleled triumph which has been won. It is scarcely probable that a single one of the States which voted yesterday has gone Democratic. Indeed, the best posted authorities concede all of them except Indiana to the Republicans, and we have strong hopes that the Hoosier State has not been an exception to the general rule. The special dispatch from Col. W. R. Holloway, postmaster of Indianapolis, which we publish in another column, speaks confidently of success. But whether the State has gone for Hendricks or Brown, it will certainly cast its electoral vote for Grant and Wilson.

The grand proportions of this victory virtually put an end to the Presidential campaign. The candidates of the Republican party have now only to walk over the track, and in the language of James C. Robinson, "there's no telling where the tarnal thing will get to."

All honor to the staunch Republicans of the four great States whose splendid victory makes the track so smooth and easy for those who have yet to make the final race.

PHILADELPHIA, Oct. 9.—L. D. Shoemaker, Republican, has been elected to Congress from the Twelfth District.

FROM INDIANA.

INDIANAPOLIS, Oct. 8.—The election returns so far are very meagre, the ticket is very long, and returns are received only from small precincts. The vote is very close, and it will be late before a correct estimate can be made. In St. Joseph county, in one precinct, Brown's majority is 207—a Republican gain on the vote of 1870 of 105. In White River township, Randolph county, Brown has 395 majority—a gain of 161. New Haven, Allen county, Indiana, Hendricks has a majority of 110—a Democratic gain of 2. In Guildford county Brown's majority is 450—a gain of 42.

SOUTH BEND, Ind., Oct. 8.—The city and township give Brown, Rep., for Governor, 206 majority, being a gain of 23 over the vote of 1868.

EVANSVILLE, Ind., Oct. 8.—We have routed the confederates in Vanderburg. Brown will have 500, and Heilman, for Congress, at least 1000 majority.

INDIANAPOLIS, Oct. 8, 2:30 A. M.—Later returns from forty townships, semi-official estimated majorities in several counties show a net Republican gain of between seven and eight hundred. The result on the State ticket is still very doubtful. Both parties claim the State by a small majority.

In Wayne county, five townships, including Richmond, Cambridge City and Hagerstown, give a majority for Brown of 997, with ten townships to hear from. Estimated majority in the county, 1,800.

Posey county—reported Republican gain 300.

Allen county—Democratic gain 300 to 500.

In Vanderburg county, Heilman, Republican candidate for Congress, has 1,400 majority over Niblack. In the same county the Republican majority on State ticket is only 500.

Very little has been received from Congressional Districts or for Senators and Representatives.

LOUISVILLE, Oct. 8.—Clark county, Ind., gives about 800 majority for Hendricks, Floyd about 1000 and Scott about 250.

INDIANAPOLIS, Oct. 8.—Returns continue to come in slowly. About thirty towns and townships heard from report gains on the vote of 1870 of 800.

Randolph county—Brown's majority is estimated at 1,800, a gain of 500.

Howard county—Howard township, Democratic gain 39.

Richmond City, Indiana—Democratic gain 133.

Elkhart county—Concord township, Republican gain 127; Cambridge City, Republican gain 19.

FROM OHIO.

COLUMBUS, Oct. 8.—About thirty towns are reported, showing a net Republican gain over the the vote for secretary of State, in 1870, of 700.

NEW YORK, Oct. 8, 9:45 p. m.—Scattering returns from Ohio show republican gains. Returns from towns in ten or twelve counties give over 800 republican gains on last year's vote. Alliance gives 443 republican majority on the state ticket a gain of 142 over last year.

Returns from seven counties give Wykoff, rep. candidate for Secretary of state, 1518 votes; Wiley, democrat, 400; Republican majority of 1113 and republican gain of 112 over the vote for secretary of state in 1870. Four townships in Belmont county give Wykoff 1071; Wiley, 821; republican majority, 250; democratic gain 33.

Returns received from 20 townships in various counties of the state show a net Republican gain over the vote for secretary of state in 1870 of 548 votes. Two townships show a democratic gain.

Latest 1 a. m.—Partial returns from half of the counties show a Republican gain of 3,000 over the vote of Noyes in 1871, when the Republican majority reached 20,000. This will be reduced by Democratic gains in Hamilton and Cuyahoga counties; leaving the Republican majority about the same as last year.

NEW YORK, Oct. 8.—There was great rejoicing in the city to-night over the news of the great Republican victory in Pennsylvania. An immense crowd of people gathered at the political headquarters and around the newspaper offices.

Early in the evening, upon receipt of the news from Liberal sources, that Pennsylvania had positively gone Republican by an overwhelming majority, and as one dispatch succeeded another, adding still further cheering results to the glorious victory, a feeling of utter hopelessness seemed to seize upon the crowds gathered about the Tribune and Sun offices, which gradually thinned them out, and at this hour there is not a mourner to be seen in the vicinity, while Republicans still throng the streets, rejoicing over the glorious work of to-day.

The followers of Tammany are disgusted, and deeply regret their foolish bargain with Greeley and other sorehead Republicans, feeling that a defeat under the old banner of Democracy would be less humiliating than as the followers of the very men who have been the life-long enemies of the party. Hundreds of Democrats expressed their disgust to-night at the whole so-called Liberal movement, and wished the originators of the "tidal wave" many feet below the earth.

The *Tribune* and *Sun* will return to the old hue and cry of fraud to-morrow morning, but that played-out device will deceive nobody, for it is evident to all that the country is not prepared for President Greeley, and so far as New York city is concerned, will not be for the next four years.

Hundreds of congratulating dispatches were sent to General Grant to-night from here.

There will be a grand mass ratification meeting at Cooper Institute, to-morrow evening, to rejoice over the glorious tidings from the three great States.

It is acknowledged by politicians of all shades that the turning point of the campaign has been reached, and it may be safely said that Liberalism, Carl Schurz & Co., have received their final quietus.

NEWARK, N. J., Oct. 8.—The Newark charter election resulted in over 2,000 republican majority, being a gain of nearly 1,000 over last year's charter election, and over 3,000 over Governor Parker's majority last November. The republicans carry thirteen out of fifteen wards, and elect twelve aldermen. The new Council will stand 20 republicans to 10 democrats.

...The Decatur Agricultural works received the second premium for the best sulkey plow at the St. Louis Fair.

HARTFORD, Oct. 8.—One hundred and twenty of 168 towns in this State have been heard from; 58 elect the entire Republican ticket, and in 24 the offices are divided between the two parties. The democrats have gained eight towns which were democratic last year, and the Republicans have gained eight towns that were democratic last year, by 332

WASHINGTON, Oct. 8.—The election in the District of Columbia to-day was attended with but few disturbances.—Gen. N. P. Chipman, Republican delegate in Congress, was re-elected by 5,600 majority. The Republicans also elected 19 out of the 22 delegates to the Legislative Assembly.

OMAHA, Oct. 8.—The election passed off quietly, and the Republican State and Congressional tickets are elected by about 5000 majority. Douglas county, which may be considered the Liberal stronghold, gives an average of about 100.

Juvenile Tanners.—The Juvenile Tanner Company will meet at their headquarters to-morrow (Thursday) evening, at 7 o'clock. C. J. HOLT,

Mme. Peschka Leutner

TO
Messrs. HALLET, DAVIS & Co.
Gentlemen:—Having had the opportunity to listen to your Pianos, under the playing of Herr Franz Bendel and Madame Arabella Goddard, at the World's Peace Jubilee, and also used them as accompaniment to my voice in a room of less size, it gives me pleasure to add my testimony to their superiority over any other Pianos I have heard or used.

Hallet, Davis & Co. Pianos.
MESSRS. HALLET, DAVIS & CO.:
Gentlemen:—It gives me extreme pleasure that I am able to compliment you with manufacturing the best Pianos I ever saw in my life.
Regarding technique and tone, I believe your instruments will always far excel all other manufactures of the kind.
(Signed) H. SARO,
Royal Prussian Musical Director.

FRANZ ABT

AND THE
Hallet, Davis & Co. Pianos.
This eminent German song-writer, author of "When the Swallows Homeward Fly," &c., says:
"One of the most pleasant surprises that have been afforded me in America has been in the listening to the magnificent Pianos manufactured in this country. Their reputation in Europe has always been of the first order, but it was not until my arrival here that I was given an opportunity to hear and carefully judge of all their merits.
"In the superb instruments manufactured by Hallet, Davis & Co., and used at all the concerts of the Great Boston Jubilee, there was combined a strength and purity of tone, elegance of finish, and those peculiar lasting qualities of rich sound and elaborate general workmanship—without which no Piano can be considered thoroughly good—such as I have never known to be surpassed. I believe their Pianos to be as near absolute perfection as it is possible for the instrument to be brought."
(Signed) FRANZ ABT.
Boston, June 22, 1872.

Franz Bendel

AND THE
Hallet, Davis & Co. Pianos.
During my sojourn at Boston, at the time of the World's Peace Jubilee, it was of the greatest interest to me to become acquainted with and play the Grand Piano of Messrs. Hallet, Davis & Co. I was filled with astonishment that these Grand Pianos were *so grand* in their power of tone that they filled the vast spaces of the Coliseum—the largest concert hall in the world—and that they perfectly satisfy every demand made regarding touch, delicacy of expression, and power of tone.
I coincide with the opinion of Dr. Franz Liszt and other celebrated Pianists, who, in their judgment, have placed these Instruments among the first and most excellent manufactured in America.
(Signed) FRANZ BENDEL.

Local Notices will be inserted at *Ten Cents* per line for the first insertion, and five cents per line for each subsequent insertion. Rates for time advertisements will be furnished upon application at the office.

IMPORTANT.

We would be much obliged if our subscribers would inform the carrier at what particular place they desire their papers to be left.

CITY DEPARTMENT.

...Have you heard the news?

...“Carry the news to Greeley.”

...Tanner parade Saturday evening.

...Well done is better than well said.

...Remember the Tanner parade Saturday evening.

...The Illinois Eldership meeting closed last evening.

...The all-absorbing question—“How's Indiana?”

...Got your caps, capes, and torches ready.

...We had a pleasant call this morning from Rev. N. P. Heath.

...The runaway horses came very near running over Dr. Stapp this morning.

...Hon. Michael Donahue was in the city last evening.

...It is said that the corn crop of Illinois will average 50 bushels per acre.

...How much did you lose on the election?

...Another brakesman was maimed at Bloomington, Monday.

...To-day is the anniversary of the Chicago fire.

...Dr. J. A. Sewell, of the State Normal School, has just published a text book on botany.

...Three wells have been dug on the square at Clinton, and all but one of them have caved in.

...Plantamour, of comet fame, now declares that the world will be frozen in A. D., 2011.

...Stark Brewer, of Saybrook, was thrown from his horse and instantly killed last Saturday.

...The Sheriff of Woodford county has disappeared. He was one of the shining lights of the Liberals.

...Sergeant Bates has gone to England. The United States would be better off if he would remain there.

...No matter whether Indiana has gone for Hendricks or Brown, the tanner parade will come off on Saturday night anyhow. And it will be no small affair, either.

...The “corruption fund,” of which the confederates have been blowing so much, is not quite exhausted yet, and therefore we will have a torchlight parade on Saturday night.

...The western division of the Indiana & Illinois Central Railroad has been put under contract. The grading, putting in culverts, etc., will be done inside of sixty days.

...No one seems to be particularly interested in local news just now. The elections command the attention of all, while groups of men are congregated about the street corners discussing the election returns.

...The ladies are all visiting the establishment of Miss. A. Waterman, at No. 24 Merchant street; and all who inspect her stock are entirely satisfied that it is the best ever brought to Decatur. If you wish to buy the best goods at the lowest possible prices, we would advise you to call at her stand.

...Some one is bound to lose money on the election yesterday. In spite of the laws of the State, some of our citizens raised quite an excitement on Main street yesterday afternoon, by talking about “odds,” “3,000 majority,” and “$30.” We did not learn the amount staked, but all seemed to have plenty of the “necessary,” and all anxious to stake it on almost any proposition.

Sudden Death.—We are much pained to learn of the sudden death of a former resident of Decatur, Mr. A W Drake, which took place at his residence, four miles southeast of Moweaqua, this morning. Mr. Drake was in his usual health yesterday, and retired last evening at his ordinary bedtime. About nine o'clock he was taken with a convulsion, and died about three o'clock this morning. He was conscious during a portion of the night, and gave directions concerning the disposition of his affairs. Two physicians, Drs. Buck and Hoxsey, were in attendance, but failed to give any relief. The deceased leaves four children, his wife having died about a year ago. The remains will be brought to this city for interment, and due notice of the time of burial will be given through the city papers.

The deceased was the Republican candidate for Sheriff in Shelby county.

Personal.—Mr. G. H. Reddy wishes us to inform the people that he is not the Mr. Reddy spoken of in yesterday's police news, but Mr. Wm. Reddy is the gentleman that was fined $3 for a plain drunk.

Rev. J. W. Crane, late of the REPUBLICAN, has accepted the city editorship of the *Tribune*, and will spend three days of each week in this city.

Accident.—A young man by the name of Baron, residing northwest of the city, cut his foot very severely, yesterday, while chopping wood.

THE GRAND PARADE.

HEADQUARTERS, MACON CO. TANNERS, DECATUR, ILL., Oct. 9, 1872.

GENERAL ORDERS, No. 2.

The several Tanner Companies of Macon county will assemble for general parade on Saturday evening, Oct. 12th, as follows:

The mounted companies will form on South Main street, with the right resting at Imboden's meat market, and extending south on South Main street.

The infantry companies will form on Wood street, right resting at same place, and extending east on Wood street.

Companies or detachments coming from a distance will report to Adjutant E. M. Misner, at Abel & Locke's Store, for organization, equipment and assignment in the line.

Captains of companies will form their companies at their respective headquarters, at precisely 6 o'clock, and the column will move at sharp seven.

The Colonel commanding desires to impress upon commandants of companies the importance of keeping their men in line, and maintaining strict order and quiet during the march.

The cheering news from the October elections, the glorious victories achieved by the gallant Republicans of our sister States, and the prospect of a magnificent triumph for Grant and Good Government in November, should stimulate the Republicans of Macon county to renewed effort, and help to make this parade the most imposing one of the campaign in this locality.

By order of W. H. HARRIS,
Col. Commanding.

E. M. MISNER, Adj't.

Bound for Kansas.—Ten car loads of excursionists from the central part of Indiana stopped at this place about an hour this morning. The major part of the excursionists expect to visit the country near Lawrence, Kansas. Some of them, however, intend to go as far west as Colorado and Nebraska. They will return within thirty days. All seemed pleased with the appearance of our little city, and some of them wanted to know if we “raised anything but corn in Illinois?”—There were about eight hundred men, women, and children aboard. The vote for President was taken, resulting as follows: For Grant, 250; for Greeley, 37.—We met some of the most prominent farmers from Marion, Shelby and Decatur counties. Some expect to buy land, and many of them will settle in different parts of the far west. We were pleased to meet many of our old acquaintances and friends. All seem to think there is no doubt about the result of the election in their State.

Runaway.—This morning two horses attached to an express wagon, driven by John Houseman, started from in front of Hand's drug store, on Water street. They ran down Water as far as Main street, then west on East Main, running into W. J. Quinlan's buggy, damaging it to the amount of forty or fifty dollars. Here they left the express wagon and rushed down the street to the old square, where they ran into a team, but were thrown and secured before doing any more damage.

Thanks.—In behalf of the Juvenile Tanner companies of Decatur, we wish to return our sincere thanks to Col M F Kanan, H F Clark, Sup't P, L & D RR, Capt E M Misner, F W Hardy, James Travis, I D Jennings and F J Taylor, for the kindness manifested by them to the Juvenile companies on route to and while at Mount Pulaski on the 5th of October.

CHAS J HOLT,
Col. Com. Juvenile Co's.

A. H LOCKE, Sec'y.

Police News.—Wm. Barnwell was fined $3 and costs for assault and battery.

Samuel Burns was fined $6 and costs for a plain, old-fashioned drunk.

Philip Honiker was up for the second time, charged with selling liquor without license. He plead guilty, and was fined $50 and costs. Not very profitable business to sell liquor without the necessary papers.

Fun.—The man that drives the street sprinkler always manages to throw just about as much water on by-standers and passers-by as he does on the street. It may be amusement for him, but many of the sufferers do not seem to appreciate the joke.

And Still They Come.—L. F. Muzzy and A. G. Harris addressed a large and enthusiastic audience at Mt. Zion School House last evening. The people in this part of the county are all for Grant, and we may expect a large majority for our country's choice.

Quarterly Meeting.—The first quarterly meeting for this Conference year, on Maroa circuit, will be held at the M. E. Church in Forsyth, beginning on Saturday, at 11 o'clock, A. M., October 19th.

Rev. W. S. Prentice, Presiding Elder, will be present.

Small Pox.—A very bad case of small-pox is reported on South Clinton street, in the first ward.

To-night.—Warrensburg—C. C. McComas and J. A. Brown; Hall's School House—W. C. Johns and A. G. Harris.

Ind & Ill. Central R R.—As we stated last week the entire western division of this road has been put under contract including the Wabash River bridge at Montezuma. Messrs. C. A. Manners & Co. inform us that their portion of the work—grading, putting in culverts and putting in piling—will be done inside of 60 days. They have had a large force on a new road in Ohio, which is now being transferred to this line. The iron for the entire western division has been purchased, and 2,000 tons are to arrive at the crossing of the Ind. & Ill. Central and Evansville, Terre Haute & Chicago R. R. during the present month. Most of the ties being in that locality track-laying will commence there, and the work pushed west.—*Tuscola Journal.*

Wheel-Horse Co.—Members of the Wheel-Horse Tanner company who have torches in their possession are requested to bring them at once to the basement of Abel & Locke's store, to be filled and made ready for the parade next Saturday evening. By order of I. N. MARTIN,
td Capt. Com'ng.

L. L. A.—The Ladies Library Association expect to have their usual fair and festival on Thanksgiving evening. All friends of the Library are requested to meet in the Library Rooms to make arrangements on Thursday afternoon at two o'clock. 2t

Ladies wishing instruction in embroidery and worsted work, can be accommodated by calling at No. 24 West North street, where samples will be shown and prices given. [July 31d2m

CITY DEPARTMENT.

...Have you heard the news?

..."Carry the news to Greeley."

...Tanner parade Saturday evening.

...Well done is better than well said.

...Remember the Tanner parade Saturday evening

...The Illinois Eldership meeting closed last evening.

...The all-absorbing question—"How's Indiana?"

...Get your caps, capes, and torches ready.

...We had a pleasant call this morning from Rev. N. P. Heath.

...The runaway horses came very near running over Dr. Stapp this morning.

...Hon. Michael Donahue was in the city last evening.

...It is said that the corn crop of Illinois will average 50 bushels per acre.

...How much did you lose on the election?

...Another brakeman was maimed at Bloomington, Monday.

...To-day is the anniversary of the Chicago fire.

...Dr. J. A. Sewell, of the State Normal School, has just published a text book on botany.

...Three wells have been dug on the square at Clinton, and all but one of them have caved in.

...Plantamour, of comet fame, now declares that the world will be frozen in A. D., 2011.

...Stark Brewer, of Saybrook, was thrown from his horse and instantly killed last Saturday

...The Sheriff of Woodford county has disappeared He was one of the shining lights of the Liberals.

...Sergeant Bates has gone to England. The United States would be better off if he would remain there.

...No matter whether Indiana has gone for Hendricks or Brown, the tanner parade will come off on Saturday night anyhow. And it will be no small affair, either.

...The "corruption fund," of which the confederates have been blowing so much, is not quite exhausted yet, and therefore we will have a torchlight parade on Saturday night.

...The western division of the Indiana & Illinois Central Railroad has been put under contract. The grading, putting in culverts, etc., will be done inside of sixty days.

...No one seems to be particularly interested in local news just now. The elections command the attention of all, while groups of men are congregated about the street corners discussing the election returns.

...The ladies are all visiting the establishment of Miss. A. Waterman, at No. 24 Merchant street; and all who inspect her stock are entirely satisfied that it is the best ever brought to Decatur If you wish to buy the best goods at the lowest possible prices, we would advise you to call at her stand.

...Some one is bound to lose money on the election yesterday. In spite of the laws of the State, some of our citizens raised quite an excitement on Main street yesterday afternoon, by talking about "odds," "3,000 majority," and "$30." We did not learn the amount staked, but all seemed to have plenty of the "necessary," and all anxious to stake it on almost any proposition.

Sudden Death —We are much pained to learn of the sudden death of a former resident of Decatur, Mr. A W Drake, which took place at his residence, four miles southeast of Moweaqua, this morning. Mr. Drake was in his usual health yesterday, and retired last evening at his ordinary bedtime. About nine o'clock he was taken with a convulsion, and died about three o'clock this morning. He was conscious during a portion of the night, and gave directions concerning the disposition of his affairs. Two physicians, Drs. Buck and Hoxsey, were in attendance, but failed to give any relief. The deceased leaves four children, his wife having died about a year ago. The remains will be brought to this city for interment, and due notice of the time of burial will be given through the city papers.

The deceased was the Republican candidate for Sheriff in Shelby county.

Personal.—Mr. G. H. Reddy wishes us to inform the people that he is not the Mr. Reddy spoken of in yesterday's police news, but Mr. Wm. Reddy is the gentleman that was fined $3 for a plain drunk.

Rev. J. W. Crane, late of the REPUBLICAN, has accepted the city editorship of the *Tribune*, and will spend three days of each week in this city.

Accident.—A young man by the name of Baron, residing northwest of the city, cut his foot very severely, yesterday, while chopping wood

THE GRAND PARADE.

HEADQUARTERS, MACON CO. TANNERS,
DECATUR, ILL., Oct. 9, 1872.

GENERAL ORDERS, No. 2.

The several Tanner Companies of Macon county will assemble for general parade on Saturday evening, Oct. 12th, as follows:

The mounted companies will form on South Main street, with the right resting at Imboden's meat market, and extending south on South Main street.

The infantry companies will form on Wood street, right resting at same place, and extending east on Wood street

Companies or detachments coming from a distance will report to Adjutant E. M. Misner, at Abel & Locke's Store, for organization, equipment and assignment in the line.

Captains of companies will form their companies at their respective headquarters, at precisely 6 o'clock, and the column will move at sharp seven.

The Colonel commanding desires to impress upon commandants of companies the importance of keeping their men in line, and maintaining strict order and quiet during the march.

The cheering news from the October elections, the glorious victories achieved by the gallant Republicans of our sister States, and the prospect of a magnificent triumph for Grant and Good Government in November, should stimulate the Republicans of Macon county to renewed effort, and help to make this parade the most imposing one of the campaign in this locality.

By order of W. H. HARRIS,
Col. Commanding.
E. M. MISNER, Adj't.

Bound for Kansas.—Ten car loads of excursionists from the central part of Indiana stopped at this place about an hour this morning. The major part of the excursionists expect to visit the country near Lawrence, Kansas. Some of them, however, intend to go as far west as Colorado and Nebraska. They will return within thirty days. All seemed pleased with the appearance of our little city, and some of them wanted to know if we "raised anything but corn in Illinois?"—There were about eight hundred men, women, and children aboard. The vote for President was taken, resulting as follows: For Grant, 250; for Greeley, 37.—We met some of the most prominent farmers from Marion, Shelby and Decatur counties. Some expect to buy land, and many of them will settle in different parts of the far west. We were pleased to meet many of our old acquaintances and friends. All seem to think there is no doubt about the result of the election in their State.

Runaway.—This morning two horses attached to an express wagon, driven by John Houseman, started from in front of Hand's drug store, on Water street. They ran down Water as far as Main street, then west on East Main, running into W. J. Quinlan's buggy, damaging it to the amount of forty or fifty dollars. Here they left the express wagon and rushed down the street to the old square, where they ran into a team, but were thrown and secured before doing any more damage.

Thanks.—In behalf of the Juvenile Tanner companies of Decatur, we wish to return our sincere thanks to Col M F Kanan, H F Clark, Sup't P, D & D RR, Capt E M Misner, F W Hardy, James Travis, I D Jennings and F J Taylor, for the kindness manifested by them to the Juvenile companies on route to and while at Mount Pulaski on the 5th of October.

CHAS J HOLT,
Col. Com. Juvenile Co's.
A H LOCKE, Sec'y.

Police News.—Wm. Barnwell was fined $3 and costs for assault and battery.

Samuel Burns was fined $6 and costs for a plain, old-fashioned drunk.

Philip Honiker was up for the second time, charged with selling liquor without license. He plead guilty, and was fined $50 and costs. Not very profitable business to sell liquor without the necessary papers.

Fun.—The man that drives the street sprinkler always manages to throw just about as much water on by-standers and passers-by as he does on the street. It may be amusement for him, but many of the sufferers do not seem to appreciate the joke.

And Still They Come.—L. F. Muzzy and A. G. Harris addressed a large and enthusiastic audience at Mt. Zion School House last evening. The people in this part of the county are all for Grant, and we may expect a large majority for our country's choice.

Quarterly Meeting.—The first quarterly meeting for this Conference year, on Maroa circuit, will be held at the M E. Church in Forsyth, beginning on Saturday, at 11 o'clock, A. M., October 19th.

Rev. W. S. Prentice, Presiding Elder, will be present.

Small Pox.—A very bad case of small-pox is reported on South Clinton street, in the first ward.

To-night.—Warrensburg—C. C. McComas and J. A. Brown; Hall's School House—W. C. Johns and A. G. Harris.

Ind. & Ill. Central R. R.—As we stated last week the entire western division of this road has been put under contract including the Wabash River bridge at Montezuma. Messrs. C. A. Manners & Co. inform us that their portion of the work—grading, putting in culverts and putting in piling—will be done inside of 60 days. They have had a large force on a new road in Ohio, which is now being transferred to this line. The iron for the entire western division has been purchased, and 2,000 tons are to arrive at the crossing of the Ind. & Ill. Central and Evansville, Terre Haute & Chicago R. R. during the present month. Most of the ties being in that locality track laying will commence there, and the work pushed west.—*Tuscola Journal.*

Wheel-Horse Co.—Members of the Wheel-Horse Tanner company who have torches in their possession are requested to bring them at once to the basement of Abel & Locke's store, to be filled and made ready for the parade next Saturday evening. By order of I. N. MARTIN,
td Capt. Com'ng.

L. L. A.—The Ladies Library Association expect to have their usual fair and festival on Thanksgiving evening. All friends of the Library are requested to meet in the Library Rooms to make arrangements on Thursday afternoon at two o'clock. 2t

Ladies wishing instruction in embroidery and worsted work, can be accommodated by calling at No. 24 West North street, where samples will be shown and prices given. [July 31d2m

To Attorneys.—We will publish chancery and other legal notices in our Daily at the same rates as are charged for similar publications in our Weekly edition.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar-coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution or diet or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor,** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action, or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back,** and **Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings,** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression,** a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill,* take one or two *Pills* to promote digestion, and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Harper's Magazine

Notices of the Press:

There are few intelligent American families in which Harper's Magazine would not be an appreciated and highly welcome guest. There is no monthly Magazine an intelligent reading family can less afford to be without. Many Magazines are accumulated. Harper's is edited. There is not a Magazine that is printed which shows more intelligent pains expended on its articles and mechanical execution. There is not a cheaper Magazine published. There is not, confessedly, a more popular Magazine in the world.—*New England Homestead.*

A repository of biography and history, literature, science and art, unequaled by any other American publication. * * * The volumes are as valuable as a mere work of reference as any cyclopædia we can place in our libraries. Harper's Magazine is a record of travel everywhere since the hour of its establishment. Livingstone and Gordon Cumming in Africa, Strain among the Andes and Ross Browne in the East, Speke on the Nile and Macgregor on the Jordan—indeed all recent travellers of note have seen their most important discoveries reproduced in these pages. Most of our younger and many of our older writers find here their literary biography. Our artists see the best evidences of their genius and the most enduring specimens of their work in the Magazine.—*N. Y. Standard.*

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar-coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution or diet or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor,** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action, or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back,** and **Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings,** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression,** a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill,* take one or two *Pills* to promote digestion, and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Harper's Magazine

Notices of the Press:

There are few intelligent American families in which Harper's Magazine would not be an appreciated and highly welcome guest. There is no monthly Magazine an intelligent reading family can less afford to be without. Many Magazines are accumulated. Harper's is edited. There is not a Magazine that is printed which shows more intelligent pains expended on its articles and mechanical execution. There is not a cheaper Magazine published. There is not, confessedly, a more popular Magazine in the world.—*New England Homestead.*

A repository of biography and history, literature, science and art, unequaled by any other American publication. * * * The volumes are as valuable as a mere work of reference as any cyclopedia we can place in our libraries. Harper's Magazine is a record of travel everywhere since the hour of its establishment. Livingstone and Gordon Cumming in Africa, Strain among the Andes and Ross Browne in the East, Speke on the Nile and Macgregor on the Jordan—indeed all recent travellers of note have seen their most important discoveries reproduced in these pages. Most of our younger and many of our older writers find here their literary biography. Our artists see the best evidences of their genius and the most enduring specimens of their work in the Magazine.—*N. Y. Standard.*
